

Crunch those Numbers: *Design, Solve, & Switch*

Directions: Using the information gathered in the scavenger hunt activity, create 4 math problems of your own. Find the solutions to your own problems to make sure that you wrote the questions correctly! Exchange problems with a friend and see if they can solve your problem too!

<p>Problem #1</p> 	<p>Solution Problem #1</p> 
<p>Problem #2</p> 	<p>Solution Problem #2</p>
