

MOBSTERS & MOLLS

**A MURDER MYSTERY
AT THE
HERITAGE DISCOVERY CENTER**

APRIL 13, 2024

7:00 P.M.

**HERITAGE DISCOVERY CENTER
201 6TH AVENUE, JOHNSTOWN**

In America, Prohibition is still in full swing – but while alcohol is difficult to attain, it certainly isn't impossible. Mickey Scapone is boss of the largest gang responsible for importing the contraband. He owns Germania, arguably the most popular speakeasy in Johnstown. From bodyguards to sassy jazz singers, alcohol to fine dining, this hip club has everything. And tonight – it even has a murder. Mickey Scapone, the big boss himself, is dead.

In teams of 4 to 6 members, you'll watch the story play out before your eyes, all over the Heritage Discovery Center – and try to solve the mystery! An all-star cast including Tamera Gindlesperger, Randy Jeffries, Ben Berkebile, Christina Fosbrink, and Cassidy Polacek will enact the story – and our celebrity detective, Russell Shorto, will be on hand to reveal the solution.

Throughout the evening we'll enjoy heavy hors d'oeuvres, a cash bar, and jazz music. Era-appropriate attire encouraged! Each member of the winning team will receive a personally autographed copy of Russell Shorto's book, "Smalltime: A Story of My Family and the Mob."
